## IMPORTANT SAFETY INFORMATION

For the safety of our patients, clients and employees, we ask that you return to your vehicle and contact us via phone for guidance if any of the following situations apply to you:

- You or a member of your household has tested positive for COVID-19
- You are exhibiting flu-like symptoms
- You have traveled to a country that has been designated high-risk for COVID-19 in the past 14 days

Thank you for your cooperation and understanding!
